```
1 Source code in this repository is variously licensed under the Apache License
2 Version 2.0, an Apache compatible license, or the Elastic License. Outside of
3 the "x-pack" folder, source code in a given file is licensed under the Apache
4 License Version 2.0, unless otherwise noted at the beginning of the file or a
5 LICENSE file present in the directory subtree declares a separate license.
6 Within the "x-pack" folder, source code in a given file is licensed under the
7 Elastic License, unless otherwise noted at the beginning of the file or a
8 LICENSE file present in the directory subtree declares a separate license.
9
10 The build produces two sets of binaries - one set that falls under the Elastic
11 License and another set that falls under Apache License Version 2.0. The
12 binaries that contain `-oss` in the artifact name are licensed under the Apache
13 License Version 2.0.
