TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.

26
27 "Source" form shall mean the preferred form for making modifications,
28 including but not limited to software source code, documentation
29 source, and configuration files.
30
31 "Object" form shall mean any form resulting from mechanical
32 transformation or translation of a Source form, including but
33 not limited to compiled object code, generated documentation,
34 and conversions to other media types.
35
36 "Work" shall mean the work of authorship, whether in Source or
37 Object form, made available under the License, as indicated by a
38 copyright notice that is included in or attached to the work
39 (an example is provided in the Appendix below).
40
41 "Derivative Works" shall mean any work, whether in Source or Object
42 form, that is based on (or derived from) the Work and for which the
43 editorial revisions, annotations, elaborations, or other modifications
44 represent, as a whole, an original work of authorship. For the purposes
45 of this License, Derivative Works shall not include works that remain
46 separable from, or merely link (or bind by name) to the interfaces of,
47 the Work and Derivative Works thereof.
48
49 "Contribution" shall mean any work of authorship, including
50 the original version of the Work and any modifications or additions
51 to that Work or Derivative Works thereof, that is intentionally
52 submitted to Licensor for inclusion in the Work by the copyright owner
53 or by an individual or Legal Entity authorized to submit on behalf of
54 the copyright owner. For the purposes of this definition, "submitted"
55 means any form of electronic, verbal, or written communication sent
56 to the Licensor or its representatives, including but not limited to
57 communication on electronic mailing lists, source code control systems,
58 and issue tracking systems that are managed by, or on behalf of, the
59 Licensor for the purpose of discussing and improving the Work, but
60 excluding communication that is conspicuously marked or otherwise
61 designated in writing by the copyright owner as "Not a Contribution."
62
63 "Contributor" shall mean Licensor and any individual or Legal Entity
64 on behalf of whom a Contribution has been received by Licensor and
65 subsequently incorporated within the Work.
66
67 2. Grant of Copyright License. Subject to the terms and conditions of
68 this License, each Contributor hereby grants to You a perpetual,
69 worldwide, non-exclusive, no-charge, royalty-free, irrevocable
70 copyright license to reproduce, prepare Derivative Works of,
71 publicly display, publicly perform, sublicense, and distribute the
72 Work and such Derivative Works in Source or Object form.
73
74 3. Grant of Patent License. Subject to the terms and conditions of
75 this License, each Contributor hereby grants to You a perpetual,
76 worldwide, non-exclusive, no-charge, royalty-free, irrevocable
77 (except as stated in this section) patent license to make, have made,
78 use, offer to sell, sell, import, and otherwise transfer the Work,
79 where such license applies only to those patent claims licensable
80 by such Contributor that are necessarily infringed by their
81 Contribution(s) alone or by combination of their Contribution(s)
82 with the Work to which such Contribution(s) was submitted. If You
83 institute patent litigation against any entity (including a
84 cross-claim or counterclaim in a lawsuit) alleging that the Work
85 or a Contribution incorporated within the Work constitutes direct
86 or contributory patent infringement, then any patent licenses
87 granted to You under this License for that Work shall terminate
88 as of the date such litigation is filed.
89
90 4. Redistribution. You may reproduce and distribute copies of the
91 Work or Derivative Works thereof in any medium, with or without

modifications, and in Source or Object form, provided that You meet the following conditions:

- (a) You must give any other recipients of the Work or Derivative Works a copy of this License; and
- (b) You must cause any modified files to carry prominent notices stating that You changed the files; and
- (c) You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and
- (d) If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.
6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.
7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.
8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be

```
158     liable to You for damages, including any direct, indirect, special,
159     incidental, or consequential damages of any character arising as a
160     result of this License or out of the use or inability to use the
161     Work (including but not limited to damages for loss of goodwill,
162     work stoppage, computer failure or malfunction, or any and all
163     other commercial damages or losses), even if such Contributor
164     has been advised of the possibility of such damages.
165
166 9. Accepting Warranty or Additional Liability. While redistributing
167     the Work or Derivative Works thereof, You may choose to offer,
168     and charge a fee for, acceptance of support, warranty, indemnity,
169     or other liability obligations and/or rights consistent with this
170     License. However, in accepting such obligations, You may act only
171     on Your own behalf and on Your sole responsibility, not on behalf
172     of any other Contributor, and only if You agree to indemnify,
173     defend, and hold each Contributor harmless for any liability
174     incurred by, or claims asserted against, such Contributor by reason
175     of your accepting any such warranty or additional liability.
176
177 END OF TERMS AND CONDITIONS
178
179 APPENDIX: How to apply the Apache License to your work.
180
181     To apply the Apache License to your work, attach the following
182     boilerplate notice, with the fields enclosed by brackets "[ ]"
183     replaced with your own identifying information. (Don't include
184     the brackets!) The text should be enclosed in the appropriate
185     comment syntax for the file format. We also recommend that a
186     file or class name and description of purpose be included on the
187     same "printed page" as the copyright notice for easier
188     identification within third-party archives.
189
190 Copyright [yyyy] [name of copyright owner]
191
192 Licensed under the Apache License, Version 2.0 (the "License");
193 you may not use this file except in compliance with the License.
194 You may obtain a copy of the License at
195
196     http://www.apache.org/licenses/LICENSE-2.0
197
198 Unless required by applicable law or agreed to in writing, software
199 distributed under the License is distributed on an "AS IS" BASIS,
200 WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied.
201 See the License for the specific language governing permissions and
202 limitations under the License.
